NEXT MEETING: 2 October 2018: Rotary Hall 7.30 p.m.

Next Meeting 2 October 2018

Our speaker will be Emerson Vandy from the National Library. Emerson is the Digital Services Manager at the National Library, involved in the digitisation of New Zealand's Newspapers. Papers Past contains more than five million pages of digitised New Zealand newspapers and periodicals. The collection covers the years 1839 to 1945 and includes over 120 publications from all regions of New Zealand.

Of special interest will be the recent availability on Papers Past of the Otaki Mail newspapers from 1919 to 1945 which until digitised were unavailable to the public as they are stored by the society at the Otaki Museum.

This press at Te Papa was donated by the proprietors of The Chronicle, Levin. It had been used by this newspaper since 1946 as a proof press. Before then it had been at Otaki since 1892 where it was used successively by the Horowhenua Times, the Otaki Times, and the Otaki Mail.

Last Meeting

The speaker at our August public meeting was Brent Bythell who gave us a great insight (including many interesting stats and examples) of the workings of our local Fire Brigade since 1918. The Otaki Fire Brigade has celebrated their centenary with several functions and events during the year. Included amongst these has been the placing of a commemorative plaque on the site of the original fire station, an excellent exhibition at the Otaki Museum and a reunion of past and present members.

OHS Committee Update

The August meeting was also our 40th AGM.

Of special note was the recognition of the service given to the society by Jan Harris who retired after 17 years involvement. Jan had held many positions on the committee and had also edited the OHS Journal and provided the historical updates to the Otaki Mail.

A qualified historian, Jan also fielded and answered the majority of the queries and requests that came to the society during her time. Jan's contribution was recognised with the awarding of life membership and the presentation of a book voucher by President, Meagan Roach. Thank you Jan! We hope you enjoy the extra time you will have.

Deaths from the influenza epidemic continued unabated during November and December 1918 affecting many local families.

1918

(following extract from NZ Times 13 November 1918)

Private Arthur A. Bright, a member of the 46th Reinforcement, died yesterday at the Featherston Camp Hospital from Influenza. Over two thousand soldiers in the Featherston Camp are reported to be suffering from influenza.

Private Bright, who was one of the most popular young men in the Otaki district, was the son of the late Mr and Mrs Fred Bright, known as pioneer settlers in the Horowhenua district. He was a well known bowler and at various times owned racehorses.

He was a brother to Mrs Byron Brown and Mrs E. T. Daniel of Wellington and brother to Mr F.H. Bright, of Otaki. He leaves a wife and one daughter to mourn their loss. In view of Private Bright's death the peace celebrations at Otaki were allowed to pass off quietly.

His mother, Mary Ann Bright, was one of the Otaki women who voted in the historic 1893 election.
