## Next Meeting 7 August 2018

### AGM

This meeting is our AGM and we invite all members and friends to consider joining our very active committee. During the last twelve months we have unfortunately lost the services of two of our long term and valued committee members. We recognise and appreciate the service our members give during the time spent working for the society but realise there will always come a time when it is necessary for them to step down from official duties. Please give some thought to assisting with continuing the work of the OHS as they embark on another 40 years.

### Speaker:

The speaker at this meeting will be Brent Bythell. Brent, who has been a member of the Otaki Fire Brigade for many years will speak on the history of the brigade over the past 100 years. The centenary celebrations were held recently and over the past three months the Otaki Heritage Bank Museum hosted a great exhibition featuring the brigade.

This promises to be a very interesting presentation.

## Last Meeting

The speaker at our June public meeting was John Taylor. John entertained the audience with his memories of growing up in the Convent Road – Bennett's Road area. His father was a drover with three horses and several dogs. There were six children in the Taylor family and life was busy with all heating and cooking provided by a wood and coal range. Firewood cutting was a daily job for all. The family had hens and a house cow which was milked by hand. Mrs. Taylor made butter. Toheroa and pipi supplemented the diet. Friday night was movie night and children from the area which included Tainui marae walked into town and back. A hazard in the dark were the brumbies which roamed freely around the area and often appeared on the road. The family participated in the sports clubs and had after school jobs in the market gardens. John's father had a contract with McBeth's Butchery and drove the required stock over the Akatarawa Road and north to Otaki, then through the stock route of Dunstan street and County Road.

Following the meeting the audience enjoyed a time of reminiscing over supper.

## OHS Committee Update

- The series of interviews with Coast Access Radio discussing OHS and local history in general is continuing this year. As earlier reported these interviews are part of Coast Access Radio's 'Conversations' segment which is broadcast on 104.7 FM on Saturday mornings at 9 am. These sessions are held monthly. If you miss the radio programme, you can listen to it online. Go to <http://coastaccessradio.org.nz/> and follow the instructions on the home page.
- We continue to receive requests for journals, information, advice and photographs from genealogists, historians and people interested in Otaki's history.
- The committee is continuing to review our policies and procedures to ensure they meet current requirements. e.g Privacy Act, Copyright etc. We have also met with the Museum to confirm the arrangements we have with them in relation to the collections housed at the museum, our room rental etc. A memorandum of understanding has been signed between our two organisations.
- The copies of the Otaki Mail newspaper which have been stored by the Society for many years have now been digitised on Papers Past. We acknowledge the investment by the Otaki Heritage Bank Museum in working with the National Library to enable this to occur.

## Other Updates

### **OHS Journals**

The 2017 journal continues to sell well. Discussions and research are underway in preparation for the next issue.

### **Purchase of previous Journals**

The society has a number of past journals available for sale at varying prices (from \$5). Please contact us to confirm the availability and cost of any of these journals you are interested in.

**Note:** Digitised copies of out of print journals and/or articles from any of our journals can be purchased from the society. Contact us for costs and further details:

### **OHS Website and Index**

The updated 1978 -2017 index is now available on the website. [www.otakihistoricalsociety.org.nz](http://www.otakihistoricalsociety.org.nz) The index is a valuable tool for researchers and members seeking information relating to the content of our 39 journals. Use the index to see if your interest (or family) are mentioned. If you find relevant information, refer to your journals or contact the Society.
